

Stockholms
universitet

Certificate

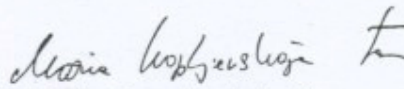

Alexander Mankov

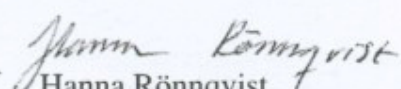

has participated in the Summer School of Language Documentation and Linguistic Diversity at Stockholm University June 23 – July 4 2014.

The participant has taken the following courses:

- *Language documentation and sociolinguistics*
- *Contact languages*
- *Documentation and diversity: semantics*
- *Databases, maps and mapping tools in linguistics*

These courses have not been officially examined, however, if the university or college of the participant wishes to examine these courses it is the recommendation that they in total represent 5.5 ECTS.
